A Message from RubinBrown

RubinBrown recognizes our ultimate success as a firm depends on our talented and inspired team members. RubinBrown is proud of our team members' ability to have both a high quality personal life and a successful career. The firm attracts and retains top talent in our profession through our inspiring culture and by offering highly competitive benefit designs that help team members and their families meet personal health and wellness goals. Our goal is to not only provide team members competitive benefit plans, but to offer fairly priced benefits through premier carriers with the same superior quality and service standards that we deliver to our own clients every day. This brochure provides an overview of these benefit programs to help you select the level of coverage that is right for you.

With a few exceptions, annual enrollment is the only time of year when you can make changes to your benefits plan. All elections and changes take effect on the first day of the plan year.

During enrollment you have the opportunity for the following.

- Add, change, or delete coverage
- Add or drop dependents from coverage
- Open and elect or change an active contribution to your health savings account (HSA)
- Open and elect or change an active contribution to your flexible spending account (FSA)

EligibilityQualifying Events

A qualifying event is a change in your personal life which may impact your eligibility or dependent's eligibility for benefits.

Examples of some qualifying events include the following.

- Change of legal marital status (e.g., marriage, divorce, death of spouse, legal separation)
- Change in number of dependents (e.g., birth, adoption, death of dependent, ineligibility due to age)
- Ineligibility due to age
- Change in employment or job status

It is your responsibility to notify Human Resources within 30 days of the event. Failure to notify Human Resources within 30 days will prohibit your ability to change your benefits election(s).

Eligible Employees

New team members are eligible for benefits the first of the month following 30 days of service.

You may enroll in the RubinBrown Benefits Program if you are a regular active status team member who is actively working a minimum of 1,000 hours per fiscal year.

Spousal Surcharge

An additional \$75 will be added to your monthly contribution rate if your spouse is eligible for coverage on a plan other than the RubinBrown group medical plan and you choose to enroll your spouse in the RubinBrown medical plan.

Dependent Eligibility

As you become eligible for benefits, so do your eligible dependents. In general, eligible dependents include your legal spouse and children up to age 26. Children may include natural, adopted, stepchildren, or children obtained through courtappointed legal guardianship.

Health Savings Account (HSA)

An HSA is a personal bank account you can use to pay for your family's healthcare costs. If you enroll in the RubinBrown medical plan with Cigna, you will have the option to open an HSA through Cigna's HSA Bank. RubinBrown lets members open an HSA at any bank they choose, so members are not obligated to open a new account with HSA Bank. However, if you do choose to open an account with Cigna's HSA Bank, all balance and transaction activity is available online at my.Cigna.com.

By setting up an HSA and electing to contribute funds from your paycheck tax-free, you will pay less tax on the money you take home while also paying for healthcare expenses tax-free through your HSA. Unlike a traditional FSA, there is no "use it or lose it" penalty with HSAs. At the end of the year, your remaining balance rolls over into the next plan year. Your HSA is also portable. If you change jobs or retire, the money goes with you. You own the account and the funds within it just like any other bank account. Remember though, the HSA is designed to pay for qualified healthcare expenses. You may be penalized or taxed for using your HSA dollars to pay for ineligible expenses. You should maintain receipts of all qualified expenses. Examples of qualified healthcare expenses include medical deductibles, copays and coinsurance, most dental and vision expenses, COBRA and Medicare premiums, and over-the-counter medications with a written prescription.

An HSA is like a checking account. You must have money in the account in order to use it. As long as you have funds in the account you can simply pay for qualified services with your HSA card just like you pay for groceries with your debit card. If you don't have funds in your HSA and must pay out-of-pocket with cash or another bank account you can reimburse yourself from the HSA at a later date when the funds are available.

The IRS mandates maximum contribution limits to HSAs annually. The 2025 contribution limits are as follows.

- ▶ \$4,300 for an individual
- **\$8,550 for a family**

If you are age 55 or older you are eligible for an additional catch-up contribution of \$1,000 annually.

RubinBrown contributes \$72 annually to each team each team member's active HSA.

Dental Insurance

Our dental plan makes dental care more affordable for employees and their families. Research suggests the health of your mouth mirrors the overall health of your body. Healthy habits like brushing, flossing, and seeing your dentist for regular cleanings helps prevent future problems. Remember to choose an in-network dentist to ensure you're receiving the deepest level of discounted services.

Cigna offers a rewards program called Wellness Plus Plan which rewards members who have at least one preventive dental service per calendar year, the ability to increase their maximum by \$250 the following year. Members can increase their maximum up to four years.

Basic Life & AD&D Insurance

Basic Life Insurance

RubinBrown provides basic life with accidental death and dismemberment insurance at no cost to you. This coverage offers financial protection to you if you suffer certain debilitating injuries or to your beneficiaries in the event of your death. Your coverage amount is equal to three times your annual earnings up to \$200,000. Your life insurance benefit also includes accidental death and dismemberment benefits. If you should die in an accident, the plan will pay a benefit equal to your life insurance benefit amount.

If you die while covered by this plan, the benefit is paid to the beneficiary (or beneficiaries) you designate, in writing. This core life insurance coverage is paid in full by RubinBrown and is fully insured through Anthem.

Voluntary Life and AD&D Insurance

If you would like to purchase supplementary life insurance in addition to your company paid benefits, RubinBrown offers you the ability to purchase voluntary life insurance at competitive group rates. Voluntary Life Insurance can be purchased in increments of \$10,000 up to five times your basic annual earnings or \$200,000 (whichever is less).

Evidence of insurability (EOI) or proof of good health is required under the following stipulations.

- ▶ **Late entrant**—you have previously waived the opportunity to elect this coverage and are now electing coverage for the first time
- Current participant—you currently have this coverage and are requesting an increase to your current coverage amount
- ▶ **Newly eligible**—you have never been offered this coverage previously or waived this coverage previously and you are requesting over \$150,000

Your individual premium rate will depend on your age. View the following table to determine how much this benefit will cost.

Age Category	Rate per \$1,000 of Coverage
Under 25	\$0.06
25–29	\$0.06
30–34	\$0.08
35–39	\$0.10
40–44	\$0.13
45–49	\$0.20
50–54	\$0.33
55–59	\$0.56
60–64	\$1.43
65–69	\$2.19
70–74	\$3.21
75+	\$5.87

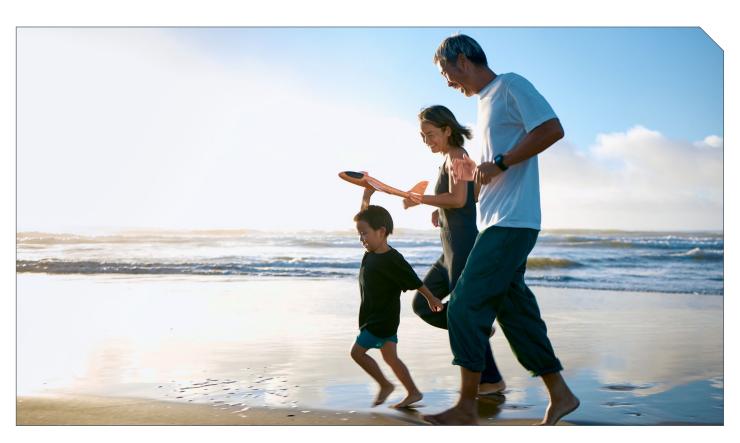

To determine the monthly premium for voluntary life coverage, follow these simple steps.

- 1. Determine the amount of insurance you want to purchase
- 2. Using the table, determine the rate based on your age
- 3. Use the formula following to calculate your monthly premium amount
 - Coverage amount/1,000 × ratemonthly premium

Example: 45 year old elects to purchase \$100,000 of voluntary life insurance. $$100,000/1,000 \times 0.20$ = 20.00. The amount of premium equals \$20 per month.

Benefits reduce to the following.

- ▶ 65% of your original benefit at age 65-69
- ▶ 50% of your original benefit at age 70+
- ► Terminates at retirement

Voluntary Life & AD&D Insurance

Voluntary life insurance can be elected for your spouse and children if you elect voluntary employee life for yourself.

Voluntary Spouse Life

You can elect voluntary life insurance coverage for your spouse. You can purchase coverage in increments of \$5,000 up to a maximum of \$100,000. Your spouse's coverage cannot exceed 100% of your employee coverage. Use the same rate table and formula to calculate the monthly cost of spousal voluntary life coverage.

Voluntary Child Life

Dependent child life coverage is available in a flat payment of \$10,000. Dependents are eligible from 15 days old through age 26. The cost for dependent child coverage is \$0.20 per \$1,000 of benefit. Therefore, a \$10,000 benefit will cost \$2.00 per month, regardless of the numbers of children you are insuring. EOI is not required for any Voluntary Child Life election.

Voluntary AD&D (Accidental Death and Dismemberment)

When you elect voluntary life coverage for yourself, spouse, and/or children, you are also covered by voluntary AD&D at the same benefit level. This coverage provides a benefit in the event of death or certain injuries due to accidental cause. The benefit coverage options and limitations for your spouse and dependents matches your voluntary life benefit details. The cost of voluntary AD&D is \$0.02 per \$1,000 of coverage.

Voluntary Dependent Life

Available to you is a basic dependent life optional policy; the spouse benefit is \$20,000 and child(ren) is \$10,000. The rate is \$3.93/family unit, a set rate for all dependents covered. Should you desire to have additional coverage on your spouse, you would want to take the voluntary spouse life instead.

Voluntary Long Term Disability

Voluntary Long Term Disability (LTD)

Long term disability (LTD) protects your income by providing you with a percentage of your income while you are disabled. RubinBrown offers a voluntary LTD plan through Anthem. This will enable those eligible to receive a benefit equal to 50% of your monthly salary, up to a maximum of \$5,000 per month. Those eligible will receive an LTD benefit until they reach Social Security normal retirement age.

If you are a late entrant, you must complete evidence of insurability subject to approval from Anthem. You will not be covered by the long term disability plan until approved. The premium you are charged for this coverage changes as your annual base salary changes.

LTD Payment Example

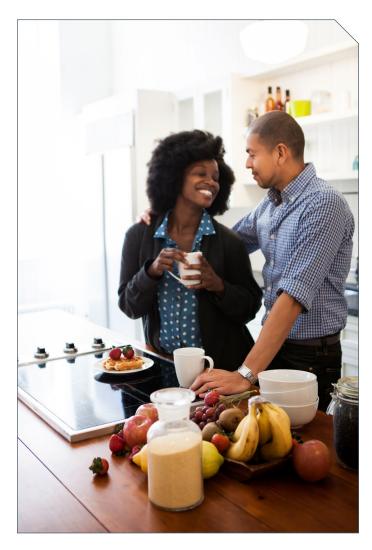

Your cost for LTD coverage is \$0.20 per \$100 of monthly covered payroll. If your monthly salary is 4,000 then your LTD cost is $4,000/100 \times 0.20 = 8.00$ of monthly premium.

Voluntary Short Term Disability

RubinBrown offers a short term disability policy to you through Colonial Life. If enrolled, you are eligible to receive benefits if you are unable to work due to injury or illness.

Short term disability is subject to approval after a team member has an individual consultation with a Colonial Life representative. Rates are specific to each individual and are not determined by a group rate.

For more information, visit **www.coloniallife.com**.

Retirement 401(k) Plan

The RubinBrown plan offers both a traditional 401(k) (pre-tax) and Roth 401(k) (after-tax) savings allowing you to save money for retirement. Your allowable contribution is limited each year by the 401(k) statutory limit unless age 50 or above. If age 50 or above, you are may make additional "catch-up" contributions above the 401(k) limit.

You can enroll in the plan at any time. There is no waiting period. Enroll online at any time, or by calling the Fidelity Retirement Benefits Line at **800.835.5095**.

Investment choices may be changed as often as you desire—even daily. The amount of your investment may be changed online by accessing the "Contribution Amount" section on NetBenefits®, or by calling the Fidelity Retirement Benefits Line at **800.835.5095**.

Changing Your Elections

Participants can change their election amounts anytime by logging into their NetBenefits® account. Your investment options may also be viewed online on NetBenefits®.

If you have not already selected your beneficiaries, or if you have experienced a life-changing event such as a marriage, divorce, birth of a child, or a death in the family, it's time to consider your beneficiary designations. Fidelity's Online Beneficiaries Service offers a straightforward, convenient process that takes just minutes. To make your elections, click on the "Profile" link, then select "Beneficiaries" and follow the online instructions.

RubinBrown contributes 5% of firm profits annually to a Profit Sharing Plan. The plan contributes a percentage of compensation to the 401(k) accounts of eligible team members employed on May 31 that have completed two years of service, as defined by the plan.

Flexible Spending Accounts

Limited purpose flexible spending account (FSA) and dependent care (DFSA) through PayFlex.

This plan allows you to make pre-tax contributions for your non-reimbursed healthcare expenses up to \$2,000 per calendar year and/or employment related dependent care expenses up to \$5,000 per calendar year.

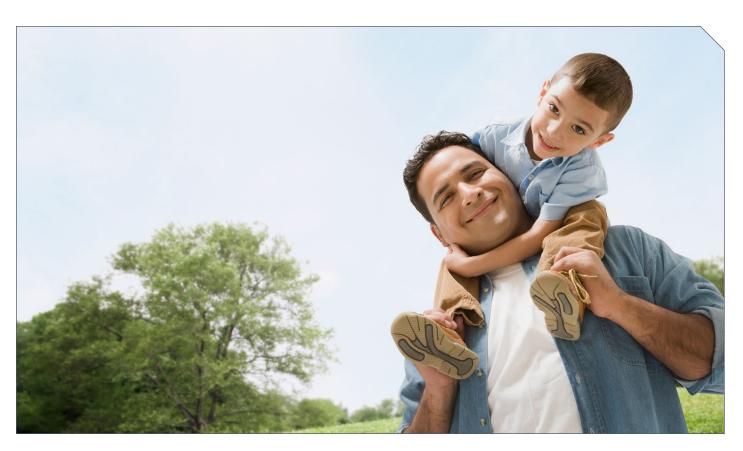

These funds must be used in the calendar year in which they are elected or they are lost (RubinBrown allows a three-month grace period to submit claims after the end of the calendar year).
