@ Kris.zeid@rubinbrown.com

Kris Zeid is a Partner in RubinBrown's Business Advisory Services Group. His primary areas of concentration include the calculation of economic damages in commercial business disputes, and fraud and forensic accounting investigations.

Kris has more than 10 years of varied experience in accounting, insurance loss consulting, and litigation consulting and provides services to counsel and business management on a variety of legal disputes. He serves as a testifying expert and provides counsel with services ranging from pre-litigation damage assessments to trial proceedings. Kris also has experience with forensic accounting investigations involving the Securities and Exchange Commission and United States Department of Justice.

Kris has a broad base of industry experience including retail, wholesale, healthcare, manufacturing, construction, real estate, energy and financial and legal services.
